

CME | PIMS WEBINAR

BE WHAT THE WORLD NEEDS

CONTINUING MEDICAL EDUCATION

The Division of Continuing Medical Education and the Maternal and Children Provincial Program is pleased to offer resources related to COVID-19.

We understand the importance of sharing education and information for health care professionals during these uncertain times.

CME will be hosting a FREE webinar | Oct 21, 2020 | 5—6 pm (SK time)

We are pleased to have Dr. Roberta Berard

**joining us to answer your questions related to Pediatric Inflammatory Multisystem Syndrome in Children (PIMS)/
Multisystem Inflammatory Syndrome in Children (MIS-C) Temporally Related to COVID-19.**

At the end of this session, participants will be able to:

- Outline the clinical presentation and recognition of PIMS/MIS-C;
- Summarize and provide an overview of the epidemiology and pathophysiology of PIMS/MIS-C;
- Utilize information to understand the importance of referral and transfer to JPCH;
- Apply the Saskatchewan guideline and parent information sheet in practice
