

# CWC

## Choosing Wisely Conference 2019

**June 8, 2019**

Health Sciences Building  
University of Saskatchewan  
Saskatoon, SK

The conference will focus on CWC (Choosing Wisely Canada) elements, as they relate to in-hospital care and where appropriate, elements of preoperative care, diagnostic imaging and lab tests, as well as appropriate medications and models of care that are linked to superior and safer patient outcomes, as well physician wellness and resiliency in those models of care. The target audience is family physicians, specialist physicians, nurses, residents, students, pharmacists, diagnostic imaging, laboratory medicine, and other health care professionals.

### Registration Fees:

Health Care Professionals: \$350 + GST  
Residents / Students: \$200 + GST
