

# The ACoRN: Acute Care of at-Risk Newborns Program Workshop for Providers

Come and learn about approaches to neonatal resuscitation in this simulation based 2-day workshop for newborn care providers.

## ACoRN Provider Workshop April 15 & 16 | 0800-1630 | La Loche Health Center and Hospital

The ACoRN Workshop provides health care professionals with the knowledge and skills of neonatal resuscitation, assessment and management of the at-risk newborn. Participants must complete an on-line exam prior to the in-person component. The workshop utilizes simulation based education and debriefing to support team-based approach to care.

### Who can take ACoRN?

Individuals providing newborn care such as licensed or regulated health professionals (or students) such as physicians, nurses, midwives, respiratory therapists or paramedics.

#### REGISTRATION - ONLINE

Registration click [here](#)—place QR code

For more course information and details, contact:

Jenna Lockert

E-mail: [jenna.lockert@saskhealthauthority.ca](mailto:jenna.lockert@saskhealthauthority.ca)

Registration closes 2 weeks prior to course to allow time for participants to complete required pre-learning

#### WORKSHOP FEE

**SHA Staff/Physicians/Partner Organizations/Residents \$400.00 (GST + PST)**

Participants are responsible for obtaining the ACoRN Acute Care of at-Risk Newborns 2nd Edition. This resource is available to order from the CPS at <https://bookstore.cps.ca/>

Participants are required to successfully complete the ACoRN On-line exam as a pre-requisite to attending the workshop. Further details about the requirements will be included in the confirmation letter provided at registration.
