

# The ACoRN: Acute Care of at-Risk Newborns Program Workshop for Providers

Come and learn about approaches to neonatal resuscitation in this simulation based  
2-day workshop for newborn care providers.

## ACoRN Provider Workshop April 22 and 23, 2024 | 0800-1630 | Lloydminster, SK

The ACoRN Workshop provides health care professionals with the knowledge and skills of neonatal resuscitation, assessment and management of the at-risk newborn. Participants must complete an on-line exam prior to the in-person component. The workshop utilizes simulation based education and debriefing to support team-based approach to care.

### Who can take ACoRN?

Individuals providing newborn care such as licensed or regulated health professionals (or students) such as physicians, nurses, midwives, respiratory therapists or paramedics.

#### REGISTRATION - [here](#)

For more course information and details, contact:

**Natasha Hydukewich, RN**

E-mail: [natasha.hydukewich@saskhealthauthority.ca](mailto:natasha.hydukewich@saskhealthauthority.ca)

Registration closes 2 weeks prior to course to allow time for participants to complete required pre-learning

### WORKSHOP FEE

**SHA Staff/Physicians/Partner Organizations/Residents \$375.00 (GST + PST)**

Participants are responsible for obtaining the ACoRN Acute Care of at-Risk Newborns 2nd Edition. This resource is available to order from the CPS at <https://bookstore.cps.ca/>

Participants are required to successfully complete the ACoRN On-line exam as a pre-requisite to attending the workshop. Further details about the requirements will be included in the confirmation letter provided at registration.

### Perinatal Education Program

UNIVERSITY OF SASKATCHEWAN  
College of Medicine  
DIVISION OF CONTINUING MEDICAL EDUCATION  
[CMELEARNING.USASK.CA](http://CMELEARNING.USASK.CA)

The ACoRN Program has been approved by the College of Family Physicians of Canada for two (2) Mainpro+ Group Learning credits per hour of class time. The Royal College of Physicians and Surgeons of Canada provides 2 credits per hour under Section 2 Traineeship (maximum 12.5 hours) of class time and 3 credits per hour (up to 4 hours) under Section 3 Self-Assessment for the online exam.

Health care professionals can include their participation in the ACoRN Workshop as part of their Regulatory Body Continuing Competency Requirements.
