

The Neonatal Resuscitation Program Saskatchewan Instructor Update

Any current NRP Instructors are required to participate in all components, including review of one (1) Webinar and attendance at one (1) Skills Session to maintain their status by their renewal date.

9th Edition NRP Instructor Update

In Canada, NRP administration is through the Canadian Paediatric Society (CPS), for more information on required components as an NRP Instructor see the CPS [NRP Registration Guidelines](#).

Additional mandatory components for maintenance of NRP Instructor status include:

- Completion of the 9th edition Advanced online exam
*access information provided by CPS
- Review the [CPS 9th edition update Webinar Recording](#)
- Review the Textbook of Neonatal Resuscitation 9th edition
- Attend Saskatchewan Provincial Update
 - Attend one (1) May/June Skills Session that includes skills practice, assessment and discussion with other NRP Instructors. The in-person skills session is four (4) hours in length 0800—1200 or 1300— 1700. **Saskatoon dates May 2, June 5, Regina dates May 8, June 19.** Use the link below to register.

Following the Webinar and Skills Day, participants will:

- Identify key changes in the Textbook of Neonatal Resuscitation 9th edition
- Discuss the evidence for changes to guidelines and administration of NRP Provider Courses
- Demonstrate and appraise skills to increase comfort and ability to facilitate NRP Provider Courses
- Generate strategies for scenarios, simulation, and supporting NRP Providers

REGISTRATION - ONLINE

Registration includes the four (4) hour Skills Session, select the best option for your schedule.
