

Congenital Syphilis

Thursday, October 26, 2023

6:00pm - 7:30pm

Delivered Over Zoom

Target Audience:

Family physicians, specialist physicians, medical resident, nurses, and nurse practitioners. All other allied healthcare professionals are encouraged to attend.

Learning Objectives:

By the end of this session, learners will be able to:

- Recognize clinical manifestations of congenital syphilis
- Describe standard workup for syphilis exposed and likely infected infants
- Formulate a management plan for the infants exposed or infected with syphilis
- Describe best practices for managing syphilis during pregnancy with intent to prevent vertical transmission
- Recognize when to refer to an Infectious Disease Specialist

Co-Presenters:

Rupeena Purewal MD, FAAP, FRCPC

Pediatric Infectious Diseases Physician, Jim Pattison Children's Hospital
Assistant Professor, University of Saskatchewan

Julie Kryzanowski, MD CCFP FRCPC MSc

Deputy Chief Medical Health Officer, Government of Saskatchewan
Assistant Professor, University of Saskatchewan

This presentation will be recorded and sent to all registered participants.

We encourage learners to attend live.

However, reviewing the recording is an option to receive the valuable content.

NO COST TO ATTEND!
