Chlamydia and Gonorrhea: An Overview for Health Care Providers

Wednesday, December 13, 2023

1:00pm - 2:30pm

Delivered Over Zoom

Target Audience:

Family physicians, specialist physicians, medical resident, nurses, and nurse practitioners. All other allied healthcare professionals are encouraged to attend.

Learning Objectives:

By the end of this session, learners will be able to:

- Explain chlamydia and gonorrhea rates for Saskatchewan and how they compare to other Canadian provinces.
- Describe chlamydia and gonorrhea transmission and manifestations.
- Describe chlamydia and gonorrhea diagnosis and treatment with reference to provincial and national STI Treatment Guidelines.
- Define the collaborative roles of public health, primary care providers, and specialists in chlamydia and gonorrhea treatment and prevention.

Co-Presenters:

Alexander Wong MD, FRCPC

Infectious Disease Specialist, Regina ID Clinic; Associate Professor,
Infectious Diseases, University of Saskatchewan

Troy Grennan MD MSc FRCPC

Physician Lead, HIV/STI Program, BCCDC
Clinical Associate Professor, Infectious Diseases, University of BC

This presentation will be recorded and sent to all registered participants.

We encourage learners to attend live.

However, reviewing the recording is an option to receive the valuable content.

NO COST TO ATTEND!
