

Preventing Substance-Use Related Infections

Thursday, November 23, 2023

6:00pm - 7:30pm

Delivered Over Zoom

Target Audience:

Family physicians, specialist physicians, medical resident, nurses, and nurse practitioners. All other allied healthcare professionals are encouraged to attend.

Learning Objectives:

By the end of this session, learners will be able to:

- Describe the risks of infection as they pertain to People Living With HIV who use drugs
- Employ evidence-based strategies to decrease risk of infection among this population
- Identify available pharmaceuticals used to treat substance use and how to access them
- Recognize when and where to access additional expertise

Co-Presenters:

Victoria Weaver MD, FRCPC

Infectious Diseases Physician; Addiction Medicine Physician; Clinical Assistant Professor, Division of Infectious Disease, University of British Columbia

Victoria Tian MD, FRCPC

Assistant Professor, Department of Medicine
General Internal Medicine | Addiction Medicine, University of Saskatchewan

This presentation will be recorded and sent to all registered participants.

We encourage learners to attend live.

However, reviewing the recording is an option to receive the valuable content.

NO COST TO ATTEND!
