

Treating Syphilis

Wednesday, November 15, 2023

1:30pm - 3:00pm
Delivered Over Zoom

Target Audience:

Family physicians, specialist physicians, medical resident, nurses, and nurse practitioners. All other allied healthcare professionals are encouraged to attend.

Learning Objectives:

By the end of this session, learners will be able to:

- Explain syphilis rates for Saskatchewan
- Describe syphilis transmission and manifestations
- Describe syphilis diagnosis, staging, and treatment
- Recognize when to refer patients to a specialist for syphilis treatment
- Define the collaborative roles of public health, primary care, and specialists in syphilis treatment

Co-Presenters:

Alexander Wong MD, FRCPC

Infectious Disease Specialist, Regina ID Clinic; Associate Professor,
Infectious Diseases, University of Saskatchewan

Lanre Medu MBBS, FRCPC

Medical Health Officer (Regina), Saskatchewan Health Authority;
Assistant Professor Division of Public Health and Preventive Medicine,
University of Saskatchewan

This presentation will be recorded and sent to all registered participants.

We encourage learners to attend live.

However, reviewing the recording is an option to receive the valuable content.

NO COST TO ATTEND!
