

The Neonatal Resuscitation Program Workshop for New Instructors

Are you an educator or clinician responsible for guiding and facilitating health care professionals in the development of critical skills in neonatal resuscitation?

Are you an expert-level practitioner who is ready to take the next step?

NRP Instructor Course

Saturday, September 28 & Sunday, September 29 REGINA, SK

©Adobe Stock Image

At this 2-day workshop, you will:

- Review the principles of adult learning and incorporate them into your NRP courses
- Learn how to organize and provide NRP courses
- Understand the administrative structure of NRP in Canada and your role as an NRP Instructor
- Renew your neonatal resuscitation knowledge and develop skills in the evaluation of individual and team performance using Performance Skills Stations and the Individual Integrated Skills Station
- Develop your skills in creating and conducting effective simulations and facilitating reflection through team debriefing
- Validate your clinical skills in NRP

REGISTRATION Fees:

\$425.00 + \$21.25 GST = \$446.25 (Includes the NRP Instructor Manual 5th ed.)

\$350.00 + \$17.50 GST = \$367.50 (Does not include the NRP Instructor Manual)

*Registration includes GST, course materials and refreshment breaks. Lunch is on your own.

Participants are responsible for obtaining their own copy of the 7th edition NRP Provider Manual directly from the Canadian Paediatric Society. Call (613) 526-9397 ext. 221 or visit on-line at <https://bookstore.cps.ca/stock/neonatal-resuscitation-program> Employees of the Saskatchewan Health Authority have institutional access to the digital copy of the textbook through the SHA Library.
