

Equity in Medicine is proud to host a panel discussion on

Intersectionality in Medicine

with three dynamic physician leaders.
Join us for a 75-minute session to learn more about intersectionality and how it relates to power, privilege, and oppression, followed by a Q+A.

The **Equity in Medicine** team is comprised of Canadian medical leaders committed to creating a safe space for discussion of **#EDI (equity, diversity and inclusion) issues** in medicine. Our goals are to increase awareness of #EDI and build relationships to expand advocacy and affect policy development.
