

# April 22 & 23, 2022 | Accredited Virtual Event

# SEMAC Annual Conference

BE WHAT THE WORLD NEEDS

## SK EMERGENCY MEDICINE ANNUAL CONFERENCE

### Target Audience

Family physicians (rural, remote & urban), specialist physicians, nurse practitioners, paramedics and residents. All other healthcare professionals are encouraged to attend.

### Conference Learning Objectives

- Develop an approach to key pediatric topics important to any front-line emergency provider.
- Improve management of elements of geriatric emergency medicine care including delirium, airways and frailty.
- Formulate an approach to clinical topics including management of foot fractures, using a regional block analgesia for a hip fracture, and ER tips and tricks.
- Explain mental health issues exacerbated by the pandemic and the benefits of a safe injection site.

Visit the CME [website](#) for more conference information.

Conference contact: [darla.schiebelbein@usask.ca](mailto:darla.schiebelbein@usask.ca)
