

# Pain & Therapeutics Annual Conference 2022

**Saturday, November 26, 2022**

**8:15 am - 4:00 pm**

**In-Person or Virtual Registration Available**

## SAVE THE DATE

**Registration Opening Soon**

### Target Audience

Family physicians, specialist physicians, nurses, nurse practitioners, mental health professionals, pharmacists, physiotherapists, social workers, residents, researchers, health sciences students, and other health care professionals. All other healthcare professionals are encouraged to attend.

### Learning Objectives

**At the end of this conference, participants will be able to:**

- Apply the PEER simplified chronic pain guidelines for the management of chronic low back pain, osteoarthritis and neuropathic pain
- Utilize tools to support pain patients in mental health crisis
- Explain an evidence-based approach for nutrition advice for chronic pain patients
- Navigate the Saskatchewan Chronic Pain Pathway from a provider perspective
- Create boundaries and decrease health care provider burnout through self-care strategies

### Additional Learning:

#### **Pediatric Pain Pre-Workshop (Virtual)**

**Friday, November 25, 2022**

**12:30 pm - 4:30 pm**
