

Randi Phillips currently works as a program and clinical Supervisor with Mental Health and Addiction Services through SHA and has held positions throughout her working years in non- profit organizations, CBO's and through the Saskatchewan Health Authority. Randi has dedicated the last 20 years of her professional career service to providing for those struggling with mental health and addiction concerns and has had the pleasure to provide support to those in need due to substance use disorder across a youth and adult clientele basis. For the majority of the career timeline, Randi has provided a front line and in community approach to addiction counselling as well as on sight addictions support.
