

The ACoRN: Acute Care of at-Risk Newborns Program Workshop for Providers

Come and learn about approaches to neonatal resuscitation in this simulation based 2-day workshop for newborn care providers.

ACoRN Provider Workshop May 13 & 14, 2023 | Cypress Regional Hospital

The ACoRN Workshop provides health care professionals with the knowledge and skills of neonatal resuscitation, assessment and management of the at-risk newborn. Participants must complete an on-line exam prior to the in-person component. The workshop utilizes simulation based education and debriefing to support team-based approach to care.

Who can take ACoRN?

Individuals providing newborn care such as licensed or regulated health professionals (or students) such as physicians, nurses, midwives, respiratory therapists or paramedics.

REGISTRATION - ONLINE

Registration click [here](#)

For more course information and details, contact:

Natasha Hydukewich

E-mail: Natasha.hydukewich@saskhealthauthority.ca
